Hey John,

I am supposed to attend the Bad River public hearing – just to potentially cover any tribal WQS questions that may arise. I chatted with Jim Ruppel a bit about the logistics, but Linda also indicated I should coordinate with you as well. What's your plan?

Yes, this is the public hearing we wanted you to attend. Jodie Opie said to talk with John Colletti regarding logistics since he is going. And yes, please put in a TA. Thanks.

Is this the public hearing you wanted me to potentially attend? If so, should I do a TA? Looks like it will be an overnighter – two days of travel.
